Coaches and Parents,

This year NEYSA has created a new fundraiser called "Dugout Shout out". Each team will have the opportunity to help NEYSA raise money by selling "words of encouragement" that will be displayed on a banner along with the team name. Each banner will be displayed on the outfield fence for the jamboree. After the jamboree is done, the teams can take their banner to display in their dugouts all season long. The cost of each "words of encouragement" is \$20 and they cannot be longer than 35 characters including spaces. Each team must have at least (5) to have a banner printed. Maximum per banner is (15). All "Dugout Shout out" forms must be turned in to your coordinator no later than Friday, April 29th at the last picture session. Any forms turned in after that may not be printed in time for the jamboree. If you have any questions please contact Jason @ (413)2621257.
